

Resend-Welcome-Message-Common-Portal-Advisory

Gst common portal has provided a functionality wherein a Tax Payer can resend welcome email in case he has not received it due to any technical issue in communication post authorized signatory reset.

How it works.....

1. Go to Track ARN Status and use the ARN which taxpayer has got during new registration or migration.
2. At the bottom there will be a link to "Resend Welcome Email".
3. Verify the email and mobile and submit.
4. Tax Payer will receive email on the mentioned email id.
