CBIC-GST Application

February 2020

Director General of Systems & Data Management
Central Board of Indirect Taxes & Customs
Department of Revenue, Ministry of Finance

From the Desk of the Member, CBIC & Principal Director General

Deployment of Block/Unblock ITC credit functionality in production and introduction of Rule 86A is the theme of this newsletter.

The functionality to Block/Unblock ITC credit had been made available under payments module. In this regard, as per notification no.75/2019-CT dated 26.12.2019 under which a new rule 86A-“Conditions of use of amount available in electronic credit ledger” has been inserted in the CGST Rules, 2017.

Earlier, the permission to Block/Unblock ITC was with the Deputy/ Assistant Commissioner. However, in the light of the Notification issued, the authority to Block/Unblock ITC now rests with the Commissioner or an officer (not below the rank of Assistant Commissioner) authorized by the Commissioner. Accordingly, appropriate change has been made in the system. The ACL admin of the Commissionerate shall assign necessary permission to Commissioner or such authorized officer as per the decision of the Commissioner concerned.

Further, necessary changes have been made in the System to enable the officers of DGGSTI to use this facility as directed by Board. Field formations are urged to make full use of the new functionalities.

Sandeep M. Bhatnagar

1. New GST functionalities during February, 2020

a. Functionalities available on GST Common Portal:

- Refund pre-application form: A form capturing Income Tax details, export data and expenditure information etc., of the taxpayers, has been made available on GST Portal. All taxpayers claiming refund would be required to fill up this simple form.
- Return in Form GST RET-1 will now be generated, for all those taxpayers (participating in the trial), who have opted for monthly return filing.
- The return will be auto-drafted, based on the details uploaded in GST ANX-1 and the actions taken in GST ANX-2 by the taxpayer.
- Table 3 (Summary of Outward Supplies, Inward Supplies attracting Reverse Charge, Debit/ Credit Notes etc & Tax Liability), Table 4 (Summary of Inward Supplies for claiming Input Tax Credit) and Table 6 (Interest & Late Fee Liability Details) have been enabled in GST RET-1 for the taxpayers, for viewing and saving details, in the user input cells.
- Taxpayer can also view the summary, download the draft GST RET-1 in PDF format and preview GST RET-1 online, on click of 'Proceed to file' button.

Note: Filing of Form GST RET 1 & payment process in the new return (which is identical to the existing payment process of existing GSTR-3B), is not being made available in trial/beta version.

b. Functionalities available in CBIC-GST Application:

- Advisory on online refund module issues resolved has been released.

- Functionality to Block/Unblock ITC credit has been made available under Payments module with changes as per Rule 86A of CGST Rules, 2017.
- A separate vertical for NACIN with seventeen sub formations and for DGRI with thirteen sub formations.
- Upcoming Payment Reports:
 - Revenue Growth Report (Comparative Tax Deposits Break-up with Growth Percentage)
 - Taxpayer behavior report finalized (Comparative report of Top Taxpayers PAN-wise for Current period (Input Period) and Previous period)
 - Day wise Tax Collection Report (Mode of Payment - Deposits (Share % analysis against each Mode)
 - Total Deposits Summary based on Type of Taxpayer

4. Feedback and Suggestions

DGS is striving to make the CBIC-GST Application user friendly and responsive to the needs of the users by regularly involving the field formations in both its development and the UAT (User Acceptance Testing). Likewise, inputs are always taken from the field formations and Directorates for new MIS reports and improvements in existing reports. DGS would like to thank the field formations for their support and looks forward to receiving continuous feedback and suggestions, which may please be sent to DG.SYS@ICEGATE.GOV.IN.
